Hi again – sorry for the delay tonight - my computer conveniently decided to download Office 2016 tonight. Attached is the edited SOW to the 9/12/16 version (also attached) that Mike sent to us for review, but which it seems we never responded to. Please reply to all with any further edits/comments or with agreement on this version. We need to get this to Respondents ASAP tomorrow morning. I will be unavailable after about 10 am eastern.

Hi Team – Mike indicated that they had not seen our revised SOW with edits to their 9/12/16 proposal. I will make any further edits to our 9/16 draft that correspond with our current position, and the team needs to review and send out ASAP. I'll send the edited SOW later this evening (after 8:30 pm eastern) with the goal of transmitting the revised SOW to Mike tomorrow by 10 am eastern. Thanks-Jacquie
